### Amendment A

In response to Office Action mailed 2005 May 2, and a conference call of 2005 July 13<sup>th</sup>, please amend the above application as follows:

#### CLAIMS:

##### **Claim 16, rewrite as Claim 16 (amended) as follows:**

16. (amended) The device of [of] claim 1 wherein hour indicators are selectively made visible within the display area while other indicators are made blank thereby providing appealing graphical patterns.

##### **Claim 1, rewrite as Claim 1 (amended) as follows:**

1. (amended) A timekeeping device comprising;  
at least one substantially center-located analog indicator,  
[changeable] a plurality of multi-function display areas positioned about the periphery of said  
timekeeping device and disposed at hour demarcation points,  
control means of said analog indicator providing time of day,  
and control means of said display areas providing information selected from the group  
consisting of numbers and text and graphic symbols.

**Claim 5, cancel and remove Claim 5.**
